Summary

Resolute front-end web developer with a solid foundation in learning technology and a diverse skill set in various programming languages. Holds a certificate in Full Stack Web Development from the University of Arizona Coding Boot Camp. An innovative, analytical thinker with a passion for creating mobile-first applications. Proficient in translating ideas into fully realized projects, with a keen focus on design and development. Key strengths include creativity, effective teamwork, and the ability to take projects from initial concept to successful execution.

Technical Skills

JavaScript, CSS, HTML, SQL, GitHub, MongoDB, MySQL, React, Node, jQuery, Bootstrap, MERN, Mongoose, Apollo, Express.js, GraphQL, Bulma, Sequelize ORM

Projects

Interactive Front-End Project
GitHub Repository

- **Summary:** A real-world front-end application developed as the first group project in the bootcamp. The application serves as an island vacation destinations website, offering information on travel locations and weather outlooks.
- **Role:** Lead Contributing Author
- **Tools:** CSS framework (other than Bootstrap), Deployed to GitHub Pages, Two server-side APIs, Client-side storage, HTML, CSS, JavaScript, Visual Studio

OnlyRecipes
GitHub Repository

- **Summary:** This project allows users to find recipes without scrolling through extraneous content. Users can create profiles, add bios, and list uploaded recipes. Uploaded recipes feature a comment section.
- **Role:** Lead Contributing Author
- **Tools:** Node.js, Express.js, RESTful API, Handlebars.js, MySQL, Sequelize ORM, Heroku, Nodemon, Bulma, Express-session, Cookies

LinkedUp
[GitHub Repository](#)

- **Summary:** Final bootcamp project. Application allows users to create profiles displaying GamerTags, social media links, and game ranks. Users can post in a blog-like format to recruit gaming partners.
- **Role:** Lead Contributing Author
- **Tools:** React, CSS, MongoDB, Mongoose, Apollo, Express, GraphQL, Node

Experience

Sales Associate/Color Mixer
Sherwin-Williams
February 2023 - Present

- Provided exceptional customer service by assisting clients in selecting paint colors and products.
- Mixed and customized paint colors to meet customer specifications.
- Maintained store inventory, organized merchandise displays, and handled transactions efficiently.
- **Key Accomplishments:**
    - Offered expert advice on paint and coatings due to extensive product knowledge.
    - Consistently surpassed sales goals, contributing to a positive team environment.

Office Administrator
March 2022 - October 2022
Mesa, Arizona

- Performed bookkeeping, troubleshooting technical problems, and managed the day-to-day needs of upper management.
- **Key Accomplishments:**
    - Responded to customer emails within 24 hours.
    - Managed all aspects of quoting for customers, with pricing between $4,000 and $50,000 per job.

Stocking Associate
2021 - 2022
Gilbert, Arizona

- Verified shipment accuracy and ensured proper stock placement in-store.
- Maintained inventory and store presentation.
- **Key Accomplishments:**
    - Organized departments and maintained cleanliness.
    - Gained extensive product knowledge across different brand sections.

Color Mixer
2020 - 2021
Tucson, Arizona

- Operated machines that mix lacquers, solvents, and paints.
- **Key Accomplishments:**
  - Achieved a 95% success rate in manually matching colors for clients.
  - Maintained large colorant mixing machines.
